MEMORANDUM RE LINE TO BE TAKEN OVER BY HOPE FOR RELAY OF MATERIAL TO AND FROM US

1. OPEN CODE NAMES:

- | | |
|--|------------------------------------|
| a. Operation to be turned over | Operation Switch |
| b. Volatile Hungarian to be kept out (Baron Antoine Radvansky) | Gideon, Jeremiah, Peyre or Anthony |
| c. Man heading up operation (General Bela Lengyel) | Muntean or Bekes |
| d. Courier from Hope who makes first approach to Muntean | Womrath or Lutz |

2. INSTRUCTIONS ALREADY GIVEN MUNTEAN:

When Muntean is contacted by the person designated by Hope, that person will give Muntean the remaining half of a one-dollar bill, which will be relayed via Seagram. Muntean already has the first half of said bill.

At the time of the contact, Muntean will ask the courier what open code names he (Muntean) has, and the courier will reply by giving the names Muntean and Bekes. The courier will introduce himself, and no matter what name is given by him, when Muntean asks for the person's open code, the names Womrath and Lutz will be given.

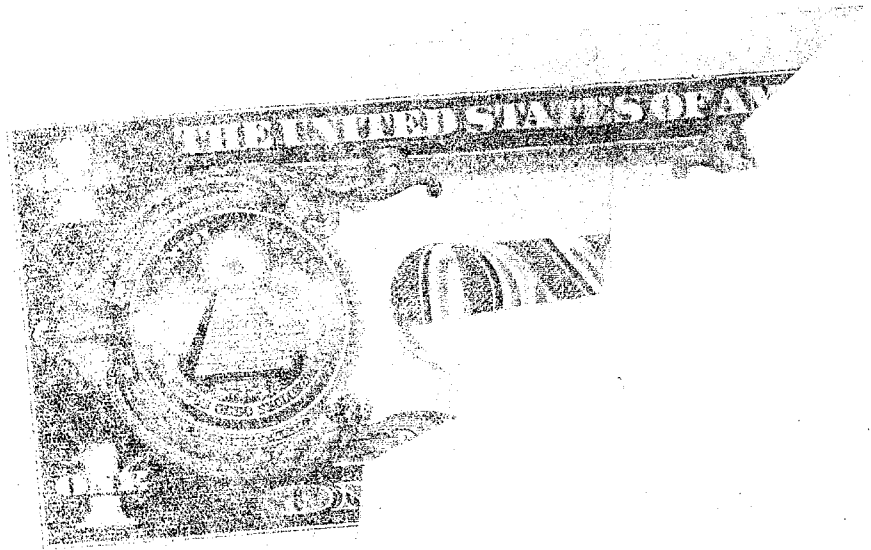

3. POINTS TO BE DETERMINED:

1. Money — Does Hope want us to send US dollars to finance the line (\$1450.00 per month), or would it be better for us to send Austrian money.

2. Address at which Muntean can be contacted will be available from Chase in Paris.

4. ADDITIONAL NOTES:

1. Toward the end of this month we will send \$500 to Upton, specially earmarked for Kurtz to hold in reserve in order to pay for some special trips to be undertaken later after Mr. Seagram and Mr. Hope have met.
